2021 MARCOBRUNN Riesling trocken  
VDP.GROSSES GEWÄCHS

98 P

Pump up the volume! Intense flint and wet-earth aromas pour from the glass of this muscular, compact and highly structured dry riesling. Enough power to keep it rolling for decades! Then, with some aeration, tart apricot and mango fruit emerges, giving this dark lord surprising charm. Gigantic, earthy depth at the extremely long finish. Limited production. From organically grown grapes. Drinkable now, but best from 2024.

2021 JUNGFER Riesling Kabinett Goldkapsel  
VDP.GROSSE LAGE

A truly breathtaking riesling Kabinett with a beautiful nose of perfectly ripe peach. Diamond-bright on the tremendously focused palate, which has amazing concentration for this category. So filigree and dynamic at the extremely long and clean finish. Very limited production. From organically grown grapes. Drink or hold.

2021 JUNGFER Riesling trocken  
VDP.GROSSES GEWÄCHS

For the challenging 2021 vintage, this is an enormously structured and compact wine, even though the body is sleeker than most wines of this category from the preceding vintages. A wealth of wild-berry and herb character. Very racy finish with a slew of wet-earth minerality and stacks of fine tannin. Drink or hold.

2021 BERG SCHLOSSBERG Riesling trocken  
VDP.GROSSES GEWÄCHS

96 P

A very elegant and filigree dry riesling with breathtakingly beautiful peach and honeysuckle aromas. The vibrant acidity is married to intense wet-stone minerality and together they drive the very long and racy finish. From a 0.3 hectare parcel in this site, therefore limited production. From organically grown grapes. Drink or hold.

2021 JUNGFER Kabinett  
VDP.GROSSE LAGE

A super-focused and vibrant riesling Kabinett with a dangerous amount of lemony, herbal and wet-stone energy. You could power entire towns with this! Laser-beam straightness and clarity, the finish samurai-sword sharp. From organically grown grapes. Drink or hold. Screw cap.

2021 SCHÖNHELL Riesling trocken  
VDP.GROSSES GEWÄCHS

95 P

Such a finely nuanced and subtle dry riesling, with such underplayed power that you could easily miss if you only took a quick sip. However, anyone who takes the trouble will find a wealth of mineral power behind the chamomile, lemon-balm and dried -lower aromas that make this remarkable dry riesling so appealing. From organically grown grapes. Drink or hold. Screw cap.

2021 Hallgartener Hendelberg Riesling trocken  
VDP.ERSTE LAGE

If you wonder why you should take the Rheingau seriously here's a very good reason. Deep and complex nose of licorice, Amalfi lemon and white peach. Highly structured, with tons of crushed-stone character on the compact and crisp, medium-bodied palate. With a bit of aeration the peachy side of this wine expands and expands in the glass! From organically grown grapes. Drink or hold.

2021 NUSSBRUNNEN Riesling Kabinett  
VDP.GROSSE LAGE

Welcome to the peach beach, where it tastes like 2021 was a wonderfully ripe vintage that's everybody's darling, instead of the challenging year that it really was. Stunning balance at the finish, the vibrant acidity making it taste dry. Limited production. From organically grown grapes. Drink or hold. Screw cap.

2021 Hallgartener Frühernberg Riesling trocken  
VDP.ERSTE LAGE

Here's a beautiful single vineyard dry riesling with the complexity and finesse we expect from this category. Delicate lemon-blossom, peach and chamomile aromas. Serious minerality on the precisely delineated, medium-bodied palate. Long wet-stone finish. From organically grown grapes. Drink or hold.

Such an attractive nose of lemon curd and lemon balm! Ripe, racy and well-structured, this has so much character and energy, which may be a tad too much for some, but it really excites us. Long, very crisp finish with impressive depth. From organically grown grapes. Drink or hold. Screw cap.

2021 Riesling feinherb „vom bunten Schiefer“  
VDP.Gutswein

Lovely nose of white peach, Amalfi lemon and chamomile. What a beautiful sleek and minerally dry riesling this is! (even though the analysis say that it's medium-dry). Excellent balance of ripe fruit and racy acidity. Long wet-stone finish. From organically grown grapes. Drink or hold. Screw cap.

A very solid dry riesling with the combination of freshness, substance and a sleek body, which we regard as prototypical for the Rheingau. Attractive aromas, ranging from white peach to red gooseberry via citrus zest. Very bright and crisp. Mostly from Hallgarten with a small amount of wine from the Nussbrunnen GG site. From organically grown grapes. Drink now. Screw cap.
